Good To hear from You! Send my Greetings to Dr. Ho. Happy and blessed new Year to your entire "Africa team" and especially to your CEO!

I suggest that I make a few corrections to the letter and send It back to you by tomorrow! Then have It signed, scan it and email It back To me. This way I CAN make sure it will reach the right person who will hand It over to the President. This scanned letter Will be good enough for the President to send the donation to refugees and other Humanitarian causes as It was agreed on! The original copy will be handed over during our next trip To Chad!

Regarding the "other matters" we are truly eager to hear from your Board decision and actions in order to take our partnership to higher levels. By the way the President has asked me to join him in Ndjamena first week of January to give him assurances that things are on track with CEFC.

Many thanks and cheers!

Dear Dr. Gadio,

Thank you for your email. Please give me a way or an address so a formal hard copy can be sent to the President.

Dr. Ho has been away till after the new year. The "other matters" have been tabled for the Board Meeting next week before the new year, and you will be duly informed very soon.

Thanks.

Anna
